Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Examiner contacted Mr. Deneufbourg to inform him that a new non-final rejection was being mailed out to replace the action mailed 1/30/07. The action mailed 1/30/07 failed to include a double patenting rejection which Examiner only realized was proper when working on a related case at a later date. This rejection has been set forth in the new non-final rejection.
